Dear Colleagues

Mitrakunj (MK), an alumni association of about 5,000 graduates from Universities and Institutions of former Union of Soviet Socialist Republics (USSR) and CIS countries, was established on 18th May, 1967 with the objective of developing professional expertise, academic cooperation, fraternal relations and establishing rights of its members and enhancing activities benefiting them.

Mitrakunj is proud to state that, in spite of many difficulties in course of its 50 years existence, it has not only survived but played a significant role towards the social, cultural, technical and economic development of Nepal.

OBJECTIVES

- Establish a healthy academic environment for the promotion of mutual cooperation, knowledge and professionalism among the alumni from the former Soviet Union and Commonwealth of Independent States (CIS) countries.
- Carry out necessary activities for the strengthening of relationship between the educational institutions of these countries and their graduates/experts.
- Establish fruitful relationship between different intellectual groups from Nepal and other countries so that they can play an effective and efficient role in the development of science and technology for the overall development of respective countries.

Mitrakunj is organizing an International Symposium on May 16 -18, 2017 on the occasion of 50th years of establishment. We are inviting all the graduates from USSR and CIS countries in this international symposium.
